

Barnard presided at the Straight-out Whig convention, and he is laid out in a strong Whig ward by some two hundred. Geo. H. Simonson for sheriff; Jared Sparks, clerk; Walter Barry for register; A. C. Willmarch (who also was the run candidate) for justice of the peace, all followed suit, and were severally laid out.

JUDGE CALVER'S CASE.—A judgment was yesterday rendered in the Supreme court, Kings county, by Mr. Justice Rockwell, declaring Judge Calver entitled to the office of city judge, Brooklyn, and to the fees and franchises thereof, and that he has been so entitled since the first day of May, 1855. We see no way now to prevent his holding this long disputed office, the city canvassers call a meeting and declare that Judge Rockwell was not duly elected, and hence had no jurisdiction to make the decision.

ALABAMA.—The Legislature of this State met at Montgomery on the 12th inst., and was organized by the election of C. Young of Cherokee as president of the Senate, and R. W. Walker of Lauderdale as speaker of the House—both Democrats, of course.

The Westchester county Temperance society holds its annual meeting in the Presbyterian church at Sing-Sing to-morrow, (Wednesday), commencing at 11 a.m.

The Hon. U. S. BENTON of Herkimer, it is said, will be the auditor under the new Know-Nothing State administration.

REPUBLICAN NATIONAL ORGANIZATION.

To the Editor of THE N. Y. Tribune.—Sir: It is not evident to every one that a national organization of the Republican party is desirable at the earliest date practicable. Such an organization is desirable to concentrate effort and give permanency and stability to the movement which seeks to combine the efforts of those who are seeking to prevent the extension of Slavery. The first step toward such an organization is evidently the formation of a national Republican committee. To reach this object in the most convenient way, permit me to suggest that, by common consent of the press and all interested, the chairman of each State committee be considered *ex officio* a member of the National committee for his State. Is there any more practicable or convenient plan than this? and what objection exists to its adoption? The State Central committee of Ohio are about to correspond with those of other States, in accordance with instructions of their State convention of July 13, with reference to the holding of a National convention; and it seems to me that if the plan above indicated were first adopted, it would greatly facilitate matters in this respect.

OHIO.

It is of course understood that the terms of the Senators respectively close with the 3d of March of the year set opposite the name of each respectively.

POSITION OF ALL SHADIES, 25; Regular Peace-and-Douglas Democrats, 32. We do not foresee any question on which more than twenty of the Opposition will be likely to vote together.

The repudiation of the Missouri Compact will be sustained by a large majority of the Senate—from two-thirds to three-fourths.

Not in the first Senate.

OBJECTION IS MADE TO THE VALIDITY OF THE ELECTION OF STEPHEN TRUMBULL AND HERKIMER, BUT WE DO NOT KNOW THAT ANY ONE WILL ACTUALLY CHALLENGE THEIR SEATS. IT IS UNDERSTOOD THAT THE GOVERNOR OF ILLINOIS REFUSED TO GIVE MR. TRUMBULL THE USUAL CERTIFICATE OF ELECTION.

ATTEMPTED BANK ROBBERY.

SPRINGFIELD, Mass., Monday, Nov. 19, 1855.

At 9 o'clock last evening, as the clerk of the Plymouth bank was going into the bank for the night, he was seized by two men who had been awaiting him in the dark passage. They demanded of him where the cash was, and he lived, which he refused to tell, when one of them plunged a knife at his breast, which penetrated his coat but struck a thick wallet with coins, which saved a wound. The clerk then shouted louder, and the burglars fled. No clue to the would-be robbers has yet been obtained.

AN ECONOMIC GOVERNMENT.—The State of Vermont, with a population of over 300,000, pays about \$150,000 per annum for all the expenses of government, or less than fifty cents per head for her people. She owed at the close of her last fiscal year \$45,000, and had funds to balance this sum to the amount of \$30,000. There was in her treasury at the year's end \$16,700, and her annual expenses had been \$151,127, distributed as follows:

Expense of legislation, \$34,120; salaries of officers of the Legislature, \$1,570; attorney, \$1,461; post-office, \$791; printing laws, \$1,210; Journal of Senate, \$1,000; Journal of House, \$1,000; auditor's report, \$251; messages, reports, bills and resolutions, \$303; proclamations, \$47; grand list books, (and very poor ones too,) \$67; while cost of State printing, \$7,421. Repairs on State house, \$1,077; grants by special acts of General Assembly, \$1,480; Executive salaries and expenses, \$2,461; judiciary and prosecuting crime, \$62,493 (nearly one-half the State expenses); for the relief of the poor, \$3,000; paid for paupers in asylums, \$333; for deaf and dumb, \$1,240; to agricultural societies, \$1,855; bounties for killing bears and wolves, \$365; cost of the Vermont mill, \$3,072, enough to pay for about six boats at Seavastopol; pedlers license-money distributed, \$1,807.

A TEN OF COALS.—Judge Grinnell, of the United States Supreme court, has decided, on a suit instituted in Pennsylvania, that the legal weight of a ton of coal is 2,240 lbs., and that no State law can be enacted altering the quantity. According to this decision, every coal dealer who gives but 2,000 lbs. to the ton can be arrested and convicted on a charge of swindling. The law of Pennsylvania makes the ton only 2,000 lbs., and a pean warfarer has for some time been waged against the coal dealers, with the result as above stated.

XXXIVTH CONGRESS.

The new Congress convenes at Washington on Monday, Dec. 3d—less than two weeks hence. The elections of members to compose it have already been completed, save that five States each failed to elect a Senator at the late Session of their respective Legislatures. It is not likely, however, that this circumstance will prevent the formation of a quorum in the Senate on the day fixed by law for assembling as aforesaid. Here are the rolls:

* Not in the first Senate.

An objection is made to the validity of the election of Messrs. Trumbull and Herkimer, but we do not know that any one will seriously contest their seats. It is understood that the Governor of Illinois refuses to give Mr. Trumbull the usual certificate of election.
